

ROTARY/One Cosmopolitan is a satellite club of the Rotary Club of Chicago (ROTARY/One), the founding Club of Rotary.

We have started a new satellite club to appeal to the younger generation of leaders in Chicago today. [Check out our Facebook page here!](#) We hope that service-minded professionals will be drawn to the club because of its affiliation with the larger Rotary network, dues structure appropriate to people who are at an earlier stage in their careers, and convenient meeting time and place. We believe it will be perfect for the younger people who have been touched by Rotary such as Group Study Exchange (GSE) team members, Ambassadorial scholars, and past Rotary Youth Leadership Awards (RYLA) participants among other programs that we have done in the Chicago community.

To this end, this new Rotary club meets on the 2nd and 4th Wednesday of each month [according to this calendar](#). O'Brien's in Old Town at 1528 N Wells St has been an excellent host providing a free private room to our club twice per month.

Our club has a focus on business networking, hands-on community service events, fundraisers for good causes, social events, and sharing the Rotary story with others. Guests are always warmly welcomed at our club. The [schedule of speakers can be found here](#).

Every quarter, one of our meetings will align with the Rotary Club of Chicago's Tuesday evening meeting to form a long lasting relationship between the satellite and the host club.

Dues will be \$25/month for these young professionals plus an \$11 application fee. [Download the membership application complete with the specific requirements of membership now!](#)

ROTARY/One members are invited and encouraged to attend any or all meetings of the satellite club.

Summary:
