Membership information

The Rotary Club of Wimberley welcomes new members. We begin by inviting you to join us at any of our regularly scheduled Tuesday noon meetings at A Fit Plan fitness studio located at 15920 RR 12. If you believe you are a good fit with our members and goals, you may put your name forward for consideration as a new member. You will need to supply your sponsoring Rotarian with your contact information and professional classification. Your Sponsor will complete an application form and submit it to the Board for approval, and thereafter, to the membership at large. Unless there is an objection, you will be inducted within a few weeks of your application. Once inducted you will enjoy all the benefits of membership.

The benefits of membership include:

- (1) Business and networking opportunities
- (2) Knowledge that you have sought to make a difference in the lives of others.
- (3) Setting a good example for your family and friends that service is a necessary part of maintaining a vital, healthy community.
- (4) Friendship with your fellow Rotarians.

Why us?

We are a family friendly, sociable group of professionals who gather to do good works together. The lunch time meetings do not interfere with a home life, yet service projects can be intergenerational. We are a small club, but powerful in our common mission: to encourage lifelong learning, improve employability, and build community.
