

**Rotary Club of Toronto**  
(excerpted from website)  
**Spouse Membership**

The Spousal/Partner membership category, introduced at the beginning of the year, has met with good results, in bringing half a dozen new members into this category of membership. The Spousal/Partner category was developed primarily to assist in attracting new members, by allowing them to involve their spouses/ partners in Rotary membership at modest additional cost. This category also permitted some existing members to bring their spouses/partners more fully into the Rotary family and this is working well.

**Rotary Club of the Denver Tech Center (DTC)...**  
(excerpted from website)  
**Spouse Membership**

The initiation fee, which includes RI dues and District dues, is \$200. Quarterly dues, which include meals, are \$255 per quarter. A second family member (spouse, partner, other) may become a member of Rotary for an additional \$130 per quarter.
